

T. Dawson Woodrum, PhD

Available via telehealth | +1 541-215-4693 | dawson@tdawsonwoodrum.com | [LinkedIn Profile](#)

I am a licensed psychologist providing trauma-informed, evidence-based psychotherapy to individuals and groups. My experience spans community mental health clinics, university counseling centers, behavioral health organizations, and both group and solo outpatient practices. I have also taught various undergraduate psychology courses. Before becoming a clinician, I spent over 15 years in the biotechnology, pharmaceutical, and medical device industries, focusing on electronic data integrity auditing, software quality assurance, regulatory strategy, privacy, and information security.

RECENT ACCOMPLISHMENTS

- Developed and released a Windows application to aid exploration of IFS
- Co-developed and presented a four-hour CEU course on gender-affirming care for healthcare professionals.
- Developed a repeatable process for collaborating with executive management to develop gender-affirming training.
- Published research advocating for the inclusion of demoralization as a specifier within formal nosological systems.
- Successfully provided evidence-based psychotherapy in-person and via telehealth across multiple settings.
- Taught undergraduate psychology courses across several domains.
- Promoted use of animal-assisted therapy (canine) culminating in adoption of this new offering to clients.

CORE COMPETENCIES

Trauma Informed Stabilization Treatment / IFS Parts | Humanistic Existential psychotherapy | Acceptance & Commitment Therapy | Mindfulness-based Therapy | Somatic Trauma Therapy | Solution-Focused Therapy | Motivational Interviewing | Gender-affirming care & surgical readiness assessment | Quantitative and Qualitative Data Analysis (Excel, SAS, SPSS, R) | Survey Design (Qualtrics) | Influencer | Educator (Word, Power Point, Excel, Canvas, LaunchPad, WebAdvisor, Navigator2) | Mentor - Subject Matter Expertise and Career Development | Policy Development | Procedural Workflow | Risk Analysis | Electronic Health Recordkeeping Systems and Communication Platforms (TherapyNotes, Doxy, AdvancedMD, Valant, Zoom, Centricity, Titanium, Cerner, Acuity)

LEADERSHIP PRINCIPLES

Ethical | Collegial | Communicative | Innovative | Data-driven | Accountable

RECOMMENDATIONS

"I was consistently impressed with Dawson's authoritative knowledge and excellent consultation skills regarding dissociative disorders and religious trauma. I have benefited many times from his ability to listen for complexities, ask insightful questions, and offer suggestions that furthered my own thinking about a challenging clinical question or dilemma."

Zia Sichi, PsyD | [Psychologist and Holistic Health Coach](#) | Prior Supervisor at [Strong Integrated Behavioral Health](#)

"Dawson connected well with his clients and provided excellent care using evidence-based interventions in support of their therapeutic journey and goals. Dawson also provided animal-assisted therapy (canine) based on each client's needs and comfort level". **Marceline Bamba, PhD** | Associate Director of Clinical Services | [Oregon State University CAPS](#) | Prior Supervisor

"Dawson masterfully weaves together the art and science of psychotherapy, fostering a counseling environment of authenticity, empathy, and trust that is palpable." **Fernando Frias, PsyD** | Licensed Psychologist | [Oregon State University CAPS](#) | Prior Supervisor

"Dawson and I connected while we were exploring regulatory requirements for our virtual reality exposure therapy product in the USA. Dawson has been extremely helpful as his unique skillset provides several different perspectives, not only as a psychologist, but also as a software developer and quality assurance professional". **Adam Hutchison** | Founder | [oVRcome](#) | Current Consultant
